

## **Igor Ishchenko, acting CEO of SEZ Technopolis Moscow**

Mr. Ishchenko was born in Torez, Donetsk Oblast of Ukraine on May 21, 1969. He graduated from the Institute of Asian and African Countries at Moscow State University in 1994.

He got a degree in crisis management at Moscow State University of Economics, Statistics, and Informatics in 1999.

He has been CEO of JSC Technopolis Moscow since 2011. Concurrently he has been holding position of acting CEO of SEZ Technopolis Moscow.

Previously he had held management positions in various electric power companies for 10 years.

Igor Ishchenko has managed to turn a divided territory into the flagship project of the Moscow City Government during his 7 years in Technopolis “Moscow”. Currently Technopolis “Moscow” is the only technopark, which has recouped its infrastructure investment cost.

Igor Ishchenko and his team have been actively involved in the project development of the Russian Industrial Zone in Egypt. Nowadays they continue to develop industrial areas in various Russian regions.

He is also a contributor for Forbes, Vedomosti, RusBase and other business publications.
